Start Calling Now in three easy Steps

1

Download the RingVoz application directly from Google Play or App Store. Once the application is open RingVoz, select "Call from everywhere" and follow the steps to install.

2

Install the Cloud Softphone, which is the RingVoz application for making calls and is automatically linked to your account.

3

With only a Wi-Fi or GSM connection you can make calls from anywhere you are anywhere in the world without access number and using the available balance in your RingVoz account.

RingVoz always gives you more
